Here's what previous clients have to say

Vilosh Brito

"The Innovation Launch tool has proved hugely constructive in determining the value of our new software product. We have made improvements to the business plan by reducing implementation risk. Crucially, it was a key element in getting us £2M of funding."

- Managing Director, Information Edge

Russell Herd

"After sitting, discussing our website, and taking his advice, it has made our lead generation from our website increase 10-fold. Excellent service from Mindsheet Ltd in Havant."

- Business Development, Working Feedback, Code Directories Ltd

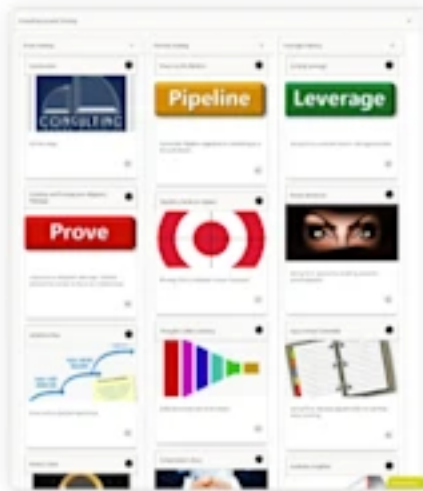

Are you a CEO overwhelmed by daily operations and the constant hunt for new clients?

You're not alone.

Many business leaders face challenges like:

- ✗ Inconsistent client flow
- ✗ Operational distractions
- ✗ Hazy market positioning
- ✗ Scaling failures.

These problems often arise from unreliable lead generation and a weak offer.

We've designed a unique consulting growth service to tackle these issues head-on and ensure your business thrives.

✓ Crafting an Irresistible Offer

We analyse your strengths, weaknesses, and ideal clients to create a compelling and tailored offer.

Outcome: A clear, irresistible offer that resonates with your target market, drawing clients towards your services.

✓ Developing Compelling Messaging

We hone your market message on LinkedIn and create a powerful introductory hook.

Outcome: Magnetic messages that make your firm stand out, capturing potential clients' attention.

✓ Implementing a Robust Client Pipeline

We set up a reliable sales pipeline using LinkedIn and other networking activities.

Outcome: A steady flow of 5 to 10 qualified business meetings each month, reducing the stress of finding new clients.

If you don't see the expected results by month three, we'll continue working with you at no extra cost until you do.

This assurance provides peace of mind, letting you focus on delivering exceptional consulting services and achieving long-term growth.

Imagine having a reliable lead generation system that consistently brings in new clients, allowing you to grow your business and establish your market authority.

Our unique approach ensures your challenges are met with effective, targeted solutions.

Founder, Mindsheet LTD

Raglan Tribe

I am Raglan Tribe, a Management and Technology Consultant with **22 years of experience** in transforming companies for exponential growth.

Before this, I had a **21-year corporate career** in the Aerospace, Defence, Automotive, and Financial Technology sectors.

As a seasoned corporate business director, I am passionate about strategy and innovation.

I specialise in helping technology companies develop disruptive products and services in complex environments.

Our 5-Step Process For Generating Leads on Autopilot

01

Introductory Strategy Call

In this initial call, we will gain a deep understanding of your business, product, and market positioning.

This will identify opportunities and challenges, laying the groundwork for a successful consulting strategy.

02

Offer Reformulation

We will develop a compelling offer that stands out in the market.

Reformulating your offer will ensure it is attractive and resonates with potential clients, leading to higher response rates.

03

Building Digital Assets

We will enhance your social presence and build credibility with targeted digital assets.

This includes creating a landing page, developing a video sales letter, and showcasing testimonials to establish authority in your niche.

04

Outreach Strategy

We will implement a comprehensive outreach strategy to attract inbound and outbound leads.

Using cold outreach and social media platforms like LinkedIn, we will expand your reach and generate high-quality leads.

05

Refining Your Pitch

We will master the art of pitching to close more deals.

This involves fine-tuning your pitch and learning advanced techniques to improve your closing rate during meetings.

Sarwant Singh

Mind sheet's knowledge, credibility, creativity, and contacts greatly enhanced our competitor bench-marking study which helped us secure and deliver a large contract. I look forward to engaging with their services again.

- Practice Partner, Frost & Sullivan

Scott Freeborn

Excellent focus on delivery, excellent range of technical skills and expertise, grown to meet programme needs, outstanding innovation. Gaining access to key market sector stakeholders to steer programme.

- MD PLANToWIN Group, Scottish Government

Frequently Asked Questions

Will the upfront investment in your service be justified by the results?

+

How can I be sure that I will actually double my revenue in 6 months? Is it really possible?

+

How much time will I need to commit to implementing your system if I'm already overwhelmed with my current workload?

+

How is your service different from other marketing and revenue growth strategies I've tried before that didn't work?

+

How can I trust that your service will deliver what you promise, considering I don't know your company well?

+

Geoff Downes

Getting my website put together by Mindsheet Ltd was just like having my sound engineer beside me when I record in the studio. I can't think why no other web company does this, but then maybe that's down to your unique communication skills

- Musician, Bands "Asia" and "The Buggles", Composer hit song "Video Killed the Radio Star"

Marcus Hamilton

Raglan at Mindsheet is incredibly creative and has countless energy. He enables strategic insight and helps customers translate this into pragmatic steps to change operations and performance.
